Nevada's Top International Trade Partners (2014)

- Information from the Census Bureau's Foreign Trade Division shows Nevada exports totaled \$7.7 billion in 2014. The State's largest export was primary metal manufactures (e.g., refined gold), followed by computer/electronics products, and miscellaneous manufactures (e.g., gaming equipment).
- The Silver State's top trade partner is Switzerland (\$2.4 billion in Nevada exports in 2014). Primary metal manufacturing accounted for 99% of Nevada exports to this market.
- Exports to Canada totaled \$1.3 billion. Computer/electronic products represented 28% of total exports to our northern neighbor.
- Nevada's third-largest trade partner is China, with \$583 million in exports. Mineral and ores (in raw form) accounted for 43% of the State's exports to this market.
- Rounding out Nevada's top ten trading partners are: India, Mexico, Japan, Hong Kong, United Kingdom, Germany, and Australia.
